INTEREST IN HUNTOON'S DEATH

Norfolk Adverses Say That He Was Insured for \$1,000,000.

OUR RICHMOND LETTER

Richmond Ministers Will Form a League to See to Enforcement of Sunday Laws—The City Wide Open—George H. Gray Charged With Horse Stealing—About the Pinn to Buy Beauvoir.

(Special to Virginian-Pilot.)

Richmond, Nov. 13.—Much interest was aroused here by a telegram from Norfolk yesterday, which stated that J. E. Huntoon, who died recently at the Old Dominion Hospital in this city, was well known there, and that his life had been insured for \$1,000,000.

Messages were also received from New York and Newark, N. J., suggesting that there was some doubt as to Mr. Huntoon's death in the minds of the insurance companies. There is no question, however, that he is dead. He came to Richmond some weeks ago in the last stages of Bright's disease, and was induced by some friends to go to the Old Dominion Hospital. He was apparently improving, and was sitting in his room laughing and talking with a number of friends when he suddenly coughed and fell back dead.

His body remained at a local undertaker's for several days, and was then, on receipt of a telegram from his brother-in-law, Edward G. Wheeler, of Boston, sent to Newark, N. J., for interment. Nothing is known here as to the truth of the story of his large life insurance.

MINISTERS STIRRED.

The ministers of Richmond are thoroughly stirred up over the persistent violation of the laws against Sunday traffic in liquor in this city. To-day ministers of all denominations held a meeting and determined to form a league of ministers and laymen for the enforcement of the laws not only against bar-keepers, but stores of all kinds.

Richmond is now a wide-open city. There are probably not more than two or three bars that are not open on Sunday by the side-doors, and the poker-rooms, crap-joints, and faro-banks do a rushing business. The ministers declare that they will put a stop to these things, and also to the sale of cigars, cigarettes, candy, and soda-water on the Sabbath.

AFTER ALLEGED HORSE THIEF.

The Commonwealth's Attorney for Carroll county has made application to the Governor for the issuance of requisition papers for George H. Gray, charged with horse-stealing. According to the papers in the case Gray stole two horses from William Alley, of Wythe county, some time ago, and afterwards sold them at Radford. To evade the officers Gray then went to Abingdon, where he enlisted in the military service of the United States, being assigned to the Forty-third Regiment of Volunteers.

The application of the Carroll Commonwealth's Attorney, it appears, was not made out in proper form, and the Governor will probably be unable to grant the requisition.

Gray's regiment is scheduled to sail for Manila on the 15th instant, but the commanding officer, who was communicated with, proposes to leave Gray behind, at Fort Columbus. Later, when application has been made in correct form, requisition papers will probably be issued and served upon the soldier.

THE BEAUVOIR SCHEME.

The action of the Daughters of the Confederacy late Saturday night in reconsidering their endorsement of the scheme to buy Beauvoir and turn it into a Confederate home, has occasioned considerable discussion here, but they are generally endorsed in the action they have taken.

MR. ALVEY STILL MISSING.

The draining of the canal yesterday and an all-day search resulted in throwing no light upon the mysterious disappearance of Mr. John T. Alvey.

His body was not found at the bottom of the canal, as a large number of people thought it would be, because of the fact that his hat was found lying beside the bank, added to the significant fact that he has not been seen by any one since.

The river is the objective point to-day and workmen have been dredging and diving into every conceivable place along the banks of the James, with no success, so far as the finding of Mr. Alvey's body is concerned.

Unceasing search will be made and the relatives of the missing man have offered a reward of \$100 for information that will lead to locating him either dead or alive.

The Richmond National Detective Agency, of which Mr. A. M. Brownell is superintendent, has its men at work on every possible clue and suggestion and police in all other cities have been asked to assist in ferreting out the mystery.

THE SUPREME COURT.

The following are the proceedings of the Supreme Court of Appeals for to-day:

Cady vs. Straus; argued by B. T. Crump for plaintiff in error, and Chas. U. Williams and John Pickrell for defendant in error, and submitted.

The next cases to be called are Virginia and North Carolina Wheel Company vs. Chalkley; Chesapeake and Ohio Railway Company vs. Jennings; Conrad's administrator vs. Fuller and al.; and Martin vs. Norfolk Lodge No. 28, B. P. O. Elks, Nos. 6, 7 and 8.

Mr. Guthrie has not yet announced his decision.

Capital Asa Rogers and Mr. Robert Candlish, who have heretofore been in the office in Richmond, have already been transferred to the Petersburg office.

DEATH OF ESTIMABLE LADY.

A large circle of friends will be grieved to learn of the death of Mrs. F. D. Hawks, which occurred at her late home, No. 17 East Tabb street, at half-past 3 o'clock Saturday afternoon. She leaves a husband and three children—Mrs. W. T. Webb and J. W. Hawks, of Newport News, and Mrs. G. L. Sheppard, of this city, besides an aged mother and two sisters, to mourn their irreparable loss. But they mourn not as those without hope, for she had been a consistent member of M. E. Church since her 16th year, and is may well be said of her that she has fought a good fight. Her work is finished. She was a devoted wife, a loving mother, and a kind neighbor and a true friend. The bereaved family have the sympathy of the community.

A NEW BANK ORGANIZED.

As stated in these columns some time ago, the Petersburg Building and Loan Company intends soon to go regularly into the banking business. The company has bought of the Petersburg Savings and Insurance Company the banking building now occupied by them and will take possession as soon as the latter company moves into its new building.

The president of the new bank is Mr. N. T. Paterson, Jr., and the vice-president is Mr. August Wright. Yesterday the directors met and elected Mr. R. J. J. Spratley cashier. Mr. Spratley is now teller of the National Bank.

The capital of the Petersburg Perpetual Building and Loan Company is about \$100,000 paid up, with an authorized capital of \$500,000.

As soon as the Legislature meets an amendment to its charter will be asked for, which will present attractive features for the public.

This will make three banks in Petersburg, which is very gratifying evidence of improvement in business.

HAMPTON.

Hampton, Va., Nov. 13.—Dr. Frank W. Shield has received a telegram announcing the death of his brother, Mr. Carey Shield, at the residence of Mrs. Leeks, in Goochland county. Mr. Shield was until recently a resident of Hampton and had many admiring friends here. When his health gave way he removed to his sister's home and has since been residing with her for the past two months. Dr. Shield will leave this morning for Goochland county in order to be present at the funeral services to-morrow afternoon.

NEWPORT NEWS

THE SPRING ELECTION—LABOR LEADERS ADDRESS.

Newport News, Va., Nov. 13.—Now that the Legislative election is over, local politicians will turn their attention to the municipal election, which is over six months off. This election takes place on the fourth Thursday in May, and all of the city offices except city treasurer and clerk of courts, will be filled then.

It is reported that the friends of Colonel J. C. Baker will wait on him in the near future and ask him to allow his name to be used in connection with the mayoralty fight, which will be made next spring. Colonel Baker recently moved to this city, but in the time he has been a resident here he has made many friends.

Mayor A. A. Moss will be a candidate for re-election, and it is understood that Mr. A. L. Powell, president of the Common Council, will enter the field during the next campaign, although Mr. Powell has not informed his friends that he will make the fight. Mr. L. P. Stearnes is also mentioned as a possible candidate for this office.

LABOR LEADER HERE.

James O'Connell, president of the International Association of Machinists, addressed a large audience at the Opera House yesterday afternoon on the labor question. The meeting was held under the auspices of Newport News Lodge, I. A. of M., but there were members present from every other labor union in the city, the Opera House being literally packed to the doors.

Mr. O'Connell has recently returned from London, where he attended the British Labor Congress. He is now making a tour through the country, addressing the machinists unions and organized labor generally on the question of the hour. He has given a great deal of his time, thought and energy to all matters pertaining to organized labor, and is regarded as one of the ablest speakers in the labor ranks, although he does not pretend to be an orator.

BLACKSTONE.

BACHELORS BECOME BENEDICTS—POLITICAL WALK OVER—PERSONAL.

(Special to Virginian-Pilot.)
Blackstone, Va., Nov. 13.—Cupid scored twice in Blackstone last week and converted two of our prominent young bachelors into benedicts. The first ceremony occurred at the Baptist Church, when the pastor of that sacred edifice led to the hymeneal altar Miss Mary Walton Sydnor and they were joined in holy wedlock by Rev. J. D. Rastie, of Petersburg.

The next event took place at the Methodist Church, when Miss Elizabeth Irby Jones became the bride of Mr. P. P. Epes, of the firm of Moncure & Epes, dry goods dealers of Blackstone. Rumor has it that other like affairs are billed for the near future.

JUDGE MANN'S WALK OVER.

Judge Mann had a veritable walk over in this county on Tuesday, but his "Independent" opponent got the better of him in both Lunenburg and Brunswick counties. Nevertheless, the Judge's majority in Nottoway, the county giving him almost an unanimous vote, was sufficient to overcome the "bad record" of the other counties, and the Judge goes to the State Senate by a handsome majority.

PERSONAL.

Bishop Wilson, of Baltimore, who will preside over the Virginia Conference at Petersburg next week, was a guest of Rev. James Cannon, of the Blackstone Female Institute, Thursday night.

ROANOKE.

NEW ICE PLANT—HYMENEAL—TRIAL OF HAWKINS.

Roanoke, Va., Nov. 13.—The Virginia Brewing Company, of this city, has recently purchased a lot in the business centre of the town, near the City Market, where work will begin at once on the erection of a large cold storage and ice manufacturing plant. The plant is to have an ice capacity of 15 tons daily and a refrigerating capacity of 20 tons. This new enterprise is the outgrowth of a demand for better storage facilities and for better rates on ice to consumers.

HYMENEAL.

Cards are out announcing the approaching marriage of Archie Francis, a former Roanoker, to Miss Birdie Sisson, of Simpsons, Va., on the 29th instant.

Miss Marie Gellinger, daughter of J. E. Gellinger, had her leg broken and was otherwise injured last night by falling from her bicycle. The wheel struck the street car line curve and caused the accident.

Dexter S. Martin and Miss Lillie Carter went to Winston, N. C., on Friday and yesterday were united in marriage. It was a runaway match, the result of opposition on the part of the young lady's parents.

THE HAWKINS CASE.

Oswald S. Hawkins, the defaulting real estate agent of Roanoke, who has been confined in jail for several months on various charges, was arraigned in the Hustings Court to-day. His counsel demurred to the indictment and Judge Woods took the matter under advisement. His trial will now go over to the January term of the court.

There is no long waiting for help if Ripans Tabules are taken for dyspepsia and headache. Relief comes quickly. One Tabule (about the size of a small button) will relieve distress in the stomach within fifteen minutes and the headache will shortly disappear. There was an industrious, hard-working woman of Cooperstown, N. Y., some sixty years of age, who for a long time had suffered greatly from dyspepsia and dreadful headaches. Her stomach tormented her so that she could hardly work at all, and, although she had tried all sorts of things, she got no relief. A friend sent her some Ripans Tabules and she felt better as soon as she took the first one. She felt more like working. "I have continued with the Tabules ever since," she says, "and they always help me."

A new style pocket containing the RIPANS TABULES in a paper carton (without glass) is now for sale at some drug stores—ask your druggist. This low priced set is intended for the poor and the economical. One dozen of the first-class set (100 tablets) can be had by mail by sending forty-eight cents to the RIPANS CHEMICAL COMPANY, No. 12 Spruce Street, New York—or a "4-cent" carton (100 tablets) will be sent for five cents.
